EuSEN
European Society of Emergency Nursing

Shortnews and Greetings

The president's word:

In 2012 the EuSEN was officially established as a society by signing the statutes.

During the last board meeting and the general assembly the agenda and the mission statement for the next years were discussed and prepared.

The EuSEN's website will go online soon. The communication and its valuable exchange of information between the various associations will then be optimized.

EuSEN is supported by a great board and it is an honour as president to collaborate with these beautiful colleagues. Therefore I would like to thank you all for the magnificent support and wish you all a wonderful 2013!

Let's all keep the slogan of EuSEN high: **"LETS BE PROUD TO BE AN EMERGENCY NURSE!!!"**

If I say shut your eyes
If I say look away
Bury your face in my shoulder
Think of a birthday
The things you put in your head
They will stay here forever
Our blood is cold
And we're alone, love
But I'm alone with you

Help me to carry the fire
We will keep it alight together
Help me to carry the fire
It will light our way forever
